I responded inquiring whether he had more specifics than "steps going forward". Can we get together and discuss soon? Does anyone have any specific insight into there interest?

Martin:

I have been travelling and will be out of the Office the great bulk of today, so I thought that I would check in with you concerning my prior voicemail suggesting a meeting to discuss the conceptual legal framework for our collaborative efforts with respect to the Animas in the Silverton area. Please let me know your thoughts, or when we might discuss.

Thanks and regards.
